ALABASTER PROJECT MINISTRIES NEWSLETTER

Vol. 13, No. 1 – March 2013

EYE SURGERY

"What do you want me to do for you?" "Lord" they said, "**we want to see**" (Matt 20:32-33). After several years of praying and trusting God for a way to help the people of the Northern Region receive cataract surgery, it has happened. We have started cataract surgery! In the photo below, King is assisting Dr. Sam Powdrill with anesthesia.

May this be the first of many happy patients who have received their sight through surgery. We praise Jehovah God. Surely His mercies endure forever.

Thanks to the contributions of some caring believers the surgical unit of the eye clinic is functional for performing cataract and apterygial surgeries.

Below is the ophthalmic microscope necessary for performing eye surgery.

Surgery complete!

It was prophesied in 2011 that this young lady would be able to see again. After her surgical procedure, she is able to see and is rejoicing with her husband and family. It was truly a miracle since she had a genetic vision problem.

This young man below came to our eye clinic hoping for help. Can someone help him?

THEY ARE HERE!

The Latin speaking missionaries are coming, as the Lord told us. For some years now the Lord has been impressing on us that He has prepared the Latin speaking peoples to be missionaries to the uttermost parts of the world. We have shared this message with several Latino church and mission organizations. Recently, a group came to see our facilities and to see the mission field. They have since returned home to recruit those who are called to reach the unreached peoples of the 10/40 window.

MISSIONARY FORMATION

Alabaster Project is not only a mission organization, but also a sending organization. Three very committed missionaries have moved from the US to Tamale, to train as missionaries to be sent to other parts of the world. John Inglese and his entire family of seven were the first to arrive in January, they have since been joined by Jason VonBeheren and Isaac Sherman.

They are being discipled and trained to be missionaries to the uttermost parts of the world. Other families are scheduled to join them soon.

PRAYER REQUESTS

Pray for additional workers in the areas of:

Administration	Bible Teaching
Farm Managing	Mechanics
Eye care	Dental care

Writing grants for Alabaster Project Ministries

Please send all contributions for the Alabaster Project Ministries to:
