

# ALABASTER PROJECT

VOLUME 21 NO.03

SEPTEMBER 4, 2021

**“ALL POWER AND AUTHORITY HAS BEEN GIVEN UNTO ME THEREFORE GO AND MAKE DISCIPLES...”**

Matthew 28:18-19

Apart from salvation through faith in Jesus Christ, the only thing that can bring a change to our earth is to go and make disciples of all the nations. When people come to know who they are in Christ, and apply the principles of the Kingdom of God in their daily living, then and only then can we enjoy peace and joy as God has always intended for us.

We have begun discipleship meetings at our third base. God has given us several young men who are willing to know God and to make Him known to others. May the Lord establish his kingdom in North Africa.

## PRAYER REQUESTS

- ◆ *Please pray for our third mission base in North Africa. God has given us favor with the people to whom He has sent us.*
- ◆ *Pray that God will confirm His word by stretching out His hand to heal, and that signs and wonders may be done through the name of Jesus Christ of Nazareth.*
- ◆ *Pray for us to have the mind of Christ in all things.*
- ◆ *Pray for the workers who are aspiring to come and join us. Pray especially for pre-school teachers needed for the school.*

## CALLED TO BE A BLESSING

“Do not forbid the little children to come to Me, for such is the Kingdom of God.” We are excited to see one of King’s disciples spending time teaching the word of God to the children of his village. The children are taught in their native language. May the Lord grant that these children will also become disciples and teachers of God’s word. May the Lord raise up more disciples in every country to do likewise.

## CONTAINER TO NORTH AFRICA

After some delay due to circumstances beyond our control, Lord willing, we will ship the container for North Africa this month. The container includes: dental and eye-care equipment and supplies, furniture and computers for teaching English as a second language.

We know that all things work together for good to those who love God and are the called according to His purpose.

## FARM AND ANIMAL HUSBANDRY

Rukaya is a widow who became a Christian through one of our disciples in her village. She is a faithful believer, filled with the joy of the Lord. We presented her with a goat to raise, this will provide an income for her. She does not have any children, and she is very happy to have this opportunity to be able to provide for herself.

We also gave goats to widows who lost their goats through theft and misfortune. Ayisha was very glad when we replaced her stolen goat.

One of our friends whom we had known for twenty years passed away recently leaving a widow with four children in school. We provided her with a goat and some financial assistance to help her in her time of need. We pray asking God to allow their goats to be very fruitful, bearing female kids.

Except for the sabbatical years— every seventh year, we have farmed each year since 2003. Each year God has shown Himself to be more than faithful in providing an abundant yield, which in turn has been given to widows and orphans. This year is not a sabbatical

year, however, due to unfortunate circumstances we will not farm. We have bought and paid for the land where our farm is located. The chief from whom we purchased the land has died, his children have illegally taken the land. We understand through scriptures that the battle does not belong to us but to the Lord. He fights all battles! So we will stand still and see the salvation of the Lord! The farm's high yield has always been a source of jealousy. We know it is not the land which is so fertile, but it is the Lord who has faithfully provided for the widows and orphans who cry out to Him. We seek the Lord for another farm land without contention and strive.
